”

“The US and the EU constitute two particularly important markets both for the creation and for the exploitation of intellectual property. Although their legal systems diverge greatly, convergent solutions are often adopted and the two systems inspire each other. A study of intellectual property from a transatlantic perspective, as in this book, is therefore of great academic and practical interest.”

Maciej Szpunar
First Advocate General, Court of
Justice of the European Union

HARMONIZING INTELLECTUAL PROPERTY LAW FOR A TRANS-ATLANTIC KNOWLEDGE ECONOMY

*Edited by Péter Mezei, Hannibal Travis
and Anett Pogácsás*

BRILL | NIJHOFF

Workshop on

14 June 2024
