

Tantárgyleírás

Corporate law (*in English language*)

A TANEGYSÉG CÉLJA:

The main purpose of the course to give brief overview to the students about the basics features of commercial entities. Among the presentation of the main topics the students are encouraged to bring their own questions and thoughts on various corporate law matters. Students are also expected to achieve the skill of critically analytic thinking on corporate law-related topics, therefore activity during the classes is highly recommended.

Presence in classes is mandatory (with maximum 3 absenteeism). The students achieve their final grade on the last week of the semester by writing the final exam.
